

How crazy gets power . . .

Election #1

Election #2

These people are the least extreme and appeal to the majority of voters so they are voted in . . . but end up failing.

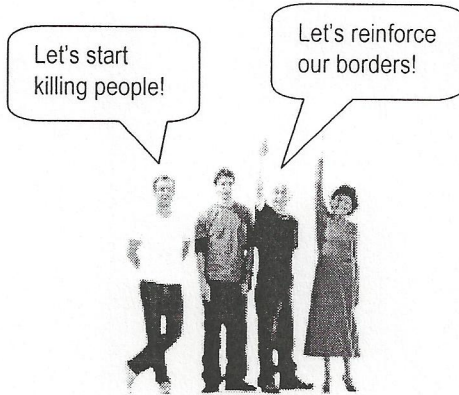

These people are the least extreme and appeal to the majority of voters so they are voted in . . . but end up failing.

Election #3

These people are the least extreme and appeal to the majority of voters so they are voted in . . . but end up failing.

Election #4

These people are the least extreme and appeal to the majority of voters so they are voted in . . . but end up failing.

Election #5
