

# How you get to be prime minister (If you were a Smurf)

The country is divided into ridings made up of 100-200,000 smurfs.

Hey! I am from the Smurf's First Party. Most of the people in my riding share my ideology and that's why I won the election!

During an election each riding elects one candidate to represent them in Parliament

The elected smurfs go to Ottawa

Happy Smurf Party

I am the leader of the Happy Smurf Party!

Smurf First Party

Communist Smurf Party

Independent Smurf Party

As King Smurf I choose the prime minister. Due to convention, I always pick the leader of the party that can command the confidence of the assembly as my prime minister.
