

Selecting a Cabinet Activity

A prime minister's cabinet tells the country what he/she sees as important issues for the government to handle.

You have been invited to form a government for Waterdown District High School and it is now time to select your cabinet (executive council). As prime minister, you can create as many cabinet positions as you feel are needed to address the issues you think are important to Waterdown District High School.

What Cabinet positions will you create and why?
