Stewart Island

One centimetre equals one kilometre

- Port Pegasus – Sheltered bay (safe from storms). Good fishing.
- Paterson Inlet – huge sheltered inlet. Good for fishing.
- Masons Bay – Huge sand beach
- The Tin Mountain Range – An impassible mountain range.
- The Kiwi fruit fields – hundreds of kiwi fruits grow here!
- Sam’s Pond – Fresh drinking-water!
- Gog & Magog - Strange mountains surrounded by eerie clouds. People are drawn to these mountains for no apparent reason!
- Mount Anglem – highest mountain on the island. Gold deposits here!
- Moose Country
- Ruggedy Mountains
- The Kiwi fruit fields – hundreds of kiwi fruits grow here!
